

Text of 1889 Letter to Henry Theodore Brandenburg

Mr. H.T. Brandenburg
Fryburg, Ohio

Dear Uncle Harry,

We have finished the investigation of the Baltimore estate and find that it was given to Paul Gorner the father (perhaps) of Elizabeth and Phoebe Gorner, who married Henry and John Brandenburg.

A German attorney is searching the records again. He was hired by the descendants of Henry Brandenburg; that is the Henry that was the father of Nancy Brandenburg, who married Grandpas Uncle Aaron.

We are having beautiful weather, and the corn husking is going on. We are all well as usual. Have been looking for you down.

Affectionately,

Naomi Shepard
