

THE TALBOTT BOYS

**Take Their Heads Calmly—Public
Sentiment Against the Governor—The
Crowd Drunk but Quiet.**

Special Telegram to The Evening Star

Marion, Mo., June 24, 4 p. m. —The Talbott boys take the change very readily, much the same as they took the sentence. Public sentiment is much against the governor. A pretty large proportion of the crowd is drunk but peaceable. The boys will be taken to St. Joe for safe keeping this evening.
